

Known for their Premiere Industrial Vacuums – ★ – The name synonymous with Quality, Durability, Performance
Used by NASA, US Department of Health, Hospitals & Abatement Companies Worldwide

Nilfisk now delivers for the Construction & Building Trades!

Construction Vacuums for Dustless Concrete & Masonry Grinding - Nilfisk Quality, Performance, Features
Robust Size, Functions & Nilfisk's Self-Cleaning Filter Technology — All for Improved Productivity

Reverse Air Pulse Keeps Suction Performance - Containers Fill Completely w/o Filter Blinding

Big Jobs Don't Mean Large Vacuums — Nilfisk Blue Line, the perfect vacuum for the Biggest and Most Hazardous Jobs, in Tight and Hard to Reach Areas and especially on Scaffold > > >

No Compromise on Nilfisk Quality, Performance & Safety — 100% HEPA Certified Vacuums!

Nilfisk Industrial Vacuums - Wet/Dry Versatile Construction Models - Specially designed for Extreme Use with Dust Control Shrouds.

*** Aero 26 120 Volt 1-Motor**
7 Gal Tank (collects 20+ lbs. silica dust)
1000 Watt, 8.3 Amp, 127 CFM, 84" H2O
1.5" Inlet, 1.25" x 11.5' hose, 64 db(A)
Push' N Clean Self-Clean Filter.
Price: **\$260.09**

*** Aero 31 120 Volt 1-Motor**
8 Gal Tank (collects 24 lbs. silica dust)
1000 Watt, 8.3 Amp, 127 CFM, 84" H2O
1.5" Inlet, 1.25" x 11.5' hose, 64 db(A)
Push' N Clean Self-Clean Filter.
Price: **\$329.45**

*** Attix 33 120 Volt 1-Motor** 8 Gal Tank (collects 24 lbs. silica dust)
1000 Watt, 7.4 Amp, 148 CFM, 92" H2O, 1.5" Inlet, 1.5" x 11.5' hose, 69 db(A)
Infini Clean Self-Clean Filter. Price: **\$549.00**

*** Attix 44 120 Volt 1-Motor** 11.5 Gal Tank (collects 35 lbs. silica dust)
1000 Watt, 7.4 Amp, 148 CFM, 92" H2O, 1.5" Inlet, 1.5" x 11.5' hose, 69 db(A)
Infini Clean Self-Clean Filter. Price: **\$679.00**

* Nilfisk's CFM & H2O ratings are measured at the end of the hose, as opposed to disclosing the motor's peak vacuum performance.

Replacement Filters

302001095 **HEPA Filter** - fits Nilfisk models: Aero 26, 31

107413555 **HEPA Filter** - fits Nilfisk models: Attix 33, 44

302000490 **WD Polyester, Pre-Filter** - fits Nilfisk models: Aero 26, 31

107413540 **WD Polyester, Pre-Filter** - fits Nilfisk models: Attix 33, 44

302002404 **Fleece Filter Collection Bags, 5 pk** - fits all Nilfisk models

T48 HD Industrial Durability, Performance

\$8,995.00

Power & technology to vacuum faster & cut costs more efficiently

Motor Output: 6.34, 25.0 Amp, Brushless Induction Motor

Required Power: 240 Volt, Three-Phase

Suction Power: 222 CFM, 140.5" H2O

Dust Collection: Continuous Plastic Bag, Longopac (not shown)

Filter System: Configured for Levetec's Air Reversal Self-Cleaning Filter Purging System - the same filter system that is used in the Avenger Dust Extractors. This filter system enables the T48 to handle 35" Concrete Floor Grinders!

Hose Connection: 2" Inlet Port
Dimensions, Weight: 24.5"W x 23.6"D x 60.2"H, 181 lbs.

Included Equipment: 2" x 30' hose w/ 2" ID Smooth Hose Cuff, 16" Floor Sweep & Wand, 72' Longopac Liner

3997

The Most Powerful. The Biggest.

\$19,495.00

The ultimate cleaning muscle, puts "industrial" in an Industrial Strength Vacuum

Motor Output: 30.8 HP, 42.0 Amp, Brushless Induction Motor

Required Power: 480 Volt, Three-Phase

Suction Power: 780 CFM, 176.0" H2O

Dust Collection: Continuous Plastic Bag, Longopac (not shown)

Filter System: 46% Greater Filter Surface Area than its predecessor (model T48) for unparalleled productivity. Complete with Automatic Filter Cleaning. The 3997 will handle two (2) 35" Concrete Floor Grinders!

Hose Connection: 2" Inlet Port
Dimensions, Weight: 24.5"W x 23.6"D x 60.2"H, 181 lbs.

Included Equipment: 2" x 30' hose w/ 2" ID Smooth Hose Cuff, 16" Floor Sweep & Wand, 72' Longopac Liner
